Set within the exclusive gates of the Anthem Country Club, this custom-designed modern estate is an entertainer's dream with enviable leisure areas inside and out that include a pool, spa, and resort-like grounds. The prime, half-acre property lends a sense of scale and grandeur upon arrival with a lofty portico entrance welcoming one into the home's 6,451 sq. ft. of elegant interiors. Joining six beautifully-appointed bedrooms and seven bathrooms across two levels is a dedicated Office and a Loft for added comfort and enjoyment.

Step down into the residence's impressive great room, a central gathering space that offers architectural box beam ceilings, a cozy fireplace, abundance of natural light, plush carpet flooring, a built-in entertainment center, and two sets of french doors that provide access to the tranquil pool area. Framing this inviting living area are polished walnut hardwood floors and thick, floor-to-ceiling limestone columns that accentuate the entire main floor.
